---

## **DISTRICT SAFETY AND HEALTH PROGRAM**

The Board of Directors of Tumalo Irrigation District hereby resolves as follows:

The safety and health of all workers/employees is a shared goal of all who work for this District. The District's policy is that all managers, supervisors, and all other employees share responsibility for taking reasonable steps to engender a safe and healthful workplace.

The District has a safety committee and holds safety meetings. The goal of these meetings is to assist in identifying hazards and unsafe work practices, mitigating obstacles to accident prevention, and evaluating the District's safety program.

The District expects all management and hourly employees to focus on the following:

- Striving to achieve zero accidents and injuries.
- Taking reasonable steps to improve safety and health rules.
- Assisting loss control efforts aimed at identifying and mitigating industrial hygiene and/or safety hazards.
- Identifying reasonable and appropriate mechanical and physical safeguards.
- Conducting reasonable safety and health inspections.
- Training workers as needed in safe work practices and procedures.
- Providing employees with personal protective equipment as appropriate to specific job tasks, and training employees in its appropriate care and use.
- Using appropriate personal protective equipment.
- Reporting hazards, unsafe work practices, and accidents.
- Assisting in the identification of the cause of on the job injuries, and in the identification of reasonable methods to prevent similar occurrences.
- Supervising workers in safe work practices.
- Enforcing applicable safe work rules.
- Disciplining workers that fail to work safely.
- Participating in and supporting safety committee activities.
- Reviewing the Districts safety and health program annually or as needed.

Discipline up to and including termination could result from a failure to pay reasonable attention to any of the above.
